2006 Water Facility State Revolving Fund (SRF) and Asset Management Workshop

June 8–9, 2006

Daytona Beach

4 PDHs of technical engineering credit (FES is FBPE approved provider EXP 00001) and 1.4 CEUs Operator Certification Program Class A, B, and C Wastewater Operators.

WHO SHOULD ATTEND AND WHY?

Consultants who specialize in water and wastewater facilities design will have the opportunity to meet with their clients in a workshop setting.

Water and Wastewater Facilities Managers and Financial Managers will gain the latest information on water facilities funding and have the opportunity to meet with funding experts from the Rural Development Administration, Department of Community Affairs, Economic Development Administration, USEPA, and DEP.

Download your SRF Workshop materials at www.fleng.org/seminars.cfm.

SRF Workshop Course Material

Your course material will be available for download from our Web site www.fleng.org after May 31st. Complete instructions will be included in your confirmation e-mail. You may order a set of course materials to be delivered at the conference. Price: \$35.00 per set

Payment Deadline–May 31, 2006

Registrations will be accepted at the FES office until May 31st. After May 31st, registrations plus \$50 late fee will be accepted on a space available basis. Please call 800-277-0086 to see if we can accommodate you.

Cancellation Policy

Requests for registration cancellation must be received in writing before 5 pm, May 31, 2006. The cancellation fee is \$50. No refunds will be issued for cancellations after this date. Substitutions are permitted at any time; however, if non-members take the place of members, a full non-member registration fee will be charged. Please be prepared to pay at the registration desk.

Confirmation E-mail

Your confirmation e-mail showing your customer number is proof of your registration. If you have not received one within 10 business days of your registration, please call 1-800-277-0086. Please save your confirmation e-mail. It contains your customer number which you will need.

Continuing Education Credit

FES is an approved provider of continuing education for PE license renewal from the Florida Board of Professional Engineers. Attendance at the entire **Track 1: SRF** is approved for 4 PDHs (Professional Development Hours) of technical engineering credit that can be used for PE license renewal. Attendance at the entire **Track 2: Asset Management** is approved for 1.4 CEUs Operator(s) Certification Program Class A, B, and C Wastewater Operator(s) or 4 PDHs of technical engineering credit that can be used for PE license renewal.

Certificate of Attendance

Certificates may now be downloaded from our Web site. Within 10 business days of the conference, you will receive an e-mail with instructions on how to download the certificate.

Special Needs

In compliance with the American Disabilities Act (ADA), please contact us at 850-224-7121 to inform us of any special needs that are required to allow your full participation in this program. Please notify us within 30 days of the program to allow sufficient time to accommodate these requests.

Tax Liability

Eligibility for tax deductions may apply. Check with your accountant regarding expenses.
